Jan 23, 2019 F1 game not working, it's says "the dynamic library Rld.dll failed to initialize". How to fix this "the dynamic library Rld.dll failed to initialize" error Hey so I just recently got this error message on my nba 2k16:the dynamic library rld.dll failed to initialize. I play nba 2k on my computer and mobile phone with the same bundle. Am I gonna have to uninstall everything and re-install? The error I get when I try to open nba 2k14 is: the dynamic library rld.dll failed to initialize. I have no idea why or how to fix this. I tried to run the simulator, but it didn't work. I have a sims 4 and nba 2k14 installed. Can someone help? What is NFL Mobile?
